THE BOZRAH SENIOR CENTER IS CLOSED UNTIL FURTHER NOTICE
Meals on Wheels program is currently on hold for new sign-ups. The program IS running for those currently signed up. There is a waiting list for anyone who would like to sign-up.
Contact PAM CONTINO (860-917-5672) if you would like to be put on the waiting list.

Community transmission of COVID-19 is currently minimal across Uncas Health District. Testing of residents for COVID-19 has increased, and the proportion of test results that are positive is approximately 5% - below (better than) the goal of 10% set by the State DPH and WHO. In addition, our current understanding of transmission of COVID-19 is that outdoor activities are safer than indoor activities and children are generally at lower risk for severe COVID-19 disease.

Recognizing the above facts, Uncas Health District is no longer recommending that playgrounds and recreational fields be closed to the public as of June 17th. Though the risk of transmission of the virus is not zero in any setting where people may come into close contact with one another, the relatively low risk right now must be balanced against the need for youth in our communities to engage in both physical and social activities for their health and wellbeing. Parents and caregivers must continue to use their judgement in determining whether to allow their children to engage in activities where there is potential for close contact to occur.

This notice does not supersede any of the Governor’s executive orders or DECD Sector Rules, including but not limited to the rule requiring businesses to remove or close all amenities not essential to the main function of the business.

Municipalities and school districts that open playgrounds and recreation areas to the public should follow these recommendations:

- Capacity limit should be posted and should be based on square footage of the play area and/or consistent with the Governor’s Executive Order prohibitions on large gatherings so that children can safely maintain a 6-foot distance between other children and face coverings are appropriately worn.
- **Remind users of the equipment of the following:**
  - Maintain a 6-foot distance from others as much as possible
  - Wear masks when 6-foot distance cannot be maintained, unless wearing the mask would create a health hazard to the wearer. This includes heat-related illness
  - **Do not use the equipment if:**
    - You are sick, or
    - In the past 10 days, tested positive for COVID-19 or were told by a health care provider that you have COVID-19, or
    - have been living with someone who has been sick with COVID-19 in the past 2 weeks
  - **Before AND after using the equipment:**
    - Wash your hands with soap and water for at least 20 seconds or use hand sanitizer that contains at least 60% alcohol
    - Though transmission of COVID-19 from contaminated surfaces is less likely than from direct, close contact with an infected person; frequently touched objects like playground equipment can result in transmission of COVID-19. **Users of the equipment should be made aware if the equipment is not cleaned or disinfected and that use of the equipment is at their own risk.**
These recommendations are subject to change due to an increase of illness identified in surveillance data and/or state guidance.

Patrick R. McCormack, MPH
Director of Health

FIRST SELECTMAN’S CORNER

Bozrah playgrounds and basketball courts are open but with restrictions. Social distancing should be observed and large gatherings (more than 10 people) should be avoided. The equipment is not cleaned or disinfected and use of the equipment is at your own risk. Masks should be worn.

BOZRAH FOOD PANTRY

The Food Pantry is available to Bozrah residents, call in your needs to (860-367-1071) prior to Thursday and pick up at the town hall, Thursday, between 3:00 and 6:00 P.M.

DOG LICENSE NOTICE

On May 5, 2020, Governor Ned Lamont issued an executive order N.711, delaying penalties for dog license renewals until August 1, 2020.

Please plan to renew your pet’s license before August 1, 2020, to avoid any penalty fees.

• outdoor seating available under the Pavilion while enjoying a cold beverage from the bar.
• Phone orders can be placed by calling 860-889-6856 after 4:30
• PLEASE DO NOT LEAVE A MESSAGE.
• All drive up orders are to be placed at a table in the front
• A text message will be sent to you once your order is ready; simply drive-up or walk-up

TAX BILLS will be out by July 1, 2020 and are due by August 1, 2020.
