FIRST SELECTMAN'S CORNER

We are planning renovation of the dog pound at the town garage, anyone interested in roof replacement should contact the first selectman's assistant. Home improvement license, insurance and experience is required.

COVID virus is still active, if you haven't gotten vaccinated please consider protecting others and get the shot.

We will be paving Caroline Road prior to the end of the month.

The company that supplied the ZEO raised its cost by 50%. That contract will expire at the end of the month and Stephen Seder (P&Z) and Scott Taylor (IWCC) will assume that role with support from the Town Planner.

Controls for the diesel and gas pumps are being changed. New fobs are required. If you need assistance please contact First Selectman, Carl Zorn.

The doors of the town hall are now unlocked on Tuesday, Wednesday and Thursday.

The town hall will remain closed to the public on Mondays. As is currently the case, Monday appointments can be made with the Town Clerk.

Any person who is not fully vaccinated for COVID-19 will still need to wear a mask. A person shall be considered fully vaccinated 14 days after receiving the final recommended dose of a vaccine approved for use against COVID-19.
