FIRST SELECTMAN’S CORNER

Town Website Committee – If interested in attending an organizational meeting for the town website, please contact Glenn Pianka at 860-889-2689 (e-mail firstselectman@bozrahct.org). The proposed meeting dates are Wednesday, January 11, 18, 25. Please let me know your availability for one or all of these dates.

Bozrah American Legion Post 138 – The Maples Park on RT 163 is a nice addition to the land and buildings of the Town of Bozrah. Each year several thousand people from all over Connecticut visit the Bozrah Farmers Market. The Maples Farmhouse is used by several local groups for their meetings. The field behind the homestead is used by Fields Memorial School for soccer and other sports activities, 3 or 4 days a week. What the area lacks is a flagpole and Bozrah American Legion Post 138 would like to propose a community service project to purchase a flagpole, flag and solar light. We estimate that the total cost of this project will be about two thousand five hundred dollars. We have approached the Maples Farm Park Commission about this and they have approved this project and will select the location of the flagpole. We are appealing to you the citizens, groups and businesses of Bozrah and the vendors and patrons of the Bozrah Farmers Market to please support us in this endeavor by sending a check for whatever amount you can afford. We would very much like to have this flagpole in place for a dedication in July, 2017 at the opening of the Farmers Market. Please make checks payable to Bozrah American Legion Post 138, PO Box 138, Bozrah, CT 06334. Thank you for your support.

FIRST SELECTMAN’S CORNER

“The sum of the parts equals the whole” is a quotation that I find most fitting at this trying time for so many people here in our wonderful town. We have just now lost another native son, Douglas Barber, age 56, on the heels of another outstanding individual, Dennis Rogan, age 62. Both of these icons were individuals who selflessly contributed to their community in ways only those who really knew them can understand. I understand, and that is why I write this today. We know of their involvement with local contracting and of their involvement with their community through the Bozrah Volunteer Fire Department and with the Bozrah Historical Society amongst other things. Upon the passing of Dennis Rogan I appointed, as the replacement sexton for the Bozrah Rural Cemetery Association, Douglas Barber, who immediately went to work in re-creating a detailed plot map of that cemetery. The amount of work that was completed, assisted by his daughter Heather, during his time of illness is phenomenal…….an attest to true community commitment. It was only last Thursday that Doug and his wife Kim came here to Town Hall to deliver the finished product. I will be forever grateful. They both have left an indelible mark on their community. Contributions to their memories can be made for Dennis Rogan to the Bozrah Volunteer Fire Department and for Douglas Barber to the Bozrah Historical Society at 1 River Road, Bozrah, Connecticut. Thank you for letting me grieve.

On a more upbeat note, two long time Bozrah residents: Mary Sweeney and Theresa Kane, both in their 80’s, have left town to relocate to more suitable living arrangements. Both Mary and Theresa donated enormous amounts of historical material including photographs to the Bozrah Historical Society. The Sweeney collection, consisting mainly of Fields Memorial School photos from the first half of the 1900’s is currently on display in the lobby at Town Hall. The Theresa Kane collection will be displayed at a later date. BOZRAH STRONG !!!!!!!!!

FIRST SELECTMAN’S CORNER

Bozrah Board of Education Selects New Superintendent – At its monthly meeting in March, the Bozrah Board of Education selected Dr. John Welch as its new superintendent of schools effective July 1, 2017. Welch will replace Dr. Paul Gagliarducci who is set to retire at the end of this school year. Gagliarducci has served as superintendent since 2010. The superintendent position in Bozrah is a part-time position. Welch, who is a resident of Ledyard, has been a superintendent in both Massachusetts and Connecticut. He decided to step down as superintendent in Preston after serving in that role for 10 years. Deb Smith, Chair of the Board of Education stated, “We conducted a regional search with the help of a consultant from the Connecticut Association of Boards of Education. We had a very strong pool of interested candidates. Dr. Welch rose to the top of that pool and we are looking forward to working with him beginning in July. We feel fortunate to have found a capable leader to continue the work started by Dr. Gagliarducci to continue improvements at Fields Memorial.” The Board of Education will hold a brief meet and greet session prior to its monthly meeting on April 4, at Fields Memorial School beginning at 6pm. Interested parents and community members are invited.

Terry Smith of Fitchville Road has been hired as the Seasonal Landscaper help joining the rest of the DPW crew. The first official project was to clean the shoreline along Fitchville Pond just behind the Town Hall. A wealth of tiger lilies was uncovered in the leaf overburden. Terry was not the only emerging beauty………. Welcome back Terry !

The new DPW Ford Mason Truck received in November has been officially put into service. It is colored red with BOZRAH PUBLIC WORKS markings on the doors. The recent request for bids for the sale of a retired DPW truck resulted in the truck being sold to Maxx Trucking of Lancaster, Pennsylvania for the high bid of $3,650.

As previously reported, I have located nine tree planting locations along Fitchville Road adjacent to Town Hall and at the corner of Stockhouse Road and Fitchville Road. You will see stakes with red and green ribbons on them for the proposed locations. If you are interested in dedicating one of the trees in memory of someone, or simply to donate a tree, the cost is $250 for a 2-1/2” caliper tree which are about 12 feet tall. They are red maples, which are the most hearty maple variety for our conditions. Contact firstselectman@bozrahct.org if you are interested in participating in this initiative.

Have a good week Glenn Pianka
FIRST SELECTMAN’S CORNER

I have heard it said that the test of the health of a community is the generosity of its citizens and how well kept its cemeteries are. If this be true, then we “Bozrahites” have plenty to be proud of. This was certainly shown this past Memorial Day when it was made sure that the cemeteries and all town properties were manicured for that special day, and it was also shown by the generosity of several businesses and groups, namely: Arthur Goulart and Son Excavating, Collins & Jewell Company, Coit Excavating, Bozrah Collision, Bozrah Light and Power and Revelation Church who donated nearly $2,000 as sponsors of the annual event. We are small, but we are STRONG !!!

Also, for quite some time I’ve spoken of wanting to plant maple trees in the village district area of Fitchville to somewhat recreate what was once known as Maple Avenue (now Rt. 608/Fitchville Road), formerly called Maple Avenue, where the streets were lined with maple trees. I reached out for possible donors to sponsor a tree for $250 each. Here are the results:

1) Bozrah Historical Society in memory of Douglas Barber
2) Barbara (Mercik) Blake in memory of the Baran and Mercik families
3) Sherri (Kofkoff) Cohen in memory of the Kofkoff family
4) Joyce Sweeney in memory of the Sweeney family
5) Susie Rogan and Marcus, Elena, and Darby Cecil in memory of Dennis Rogan
6) Ross Perrone in memory of his parents Angelo and Martha (Main) Perrone
7) Evan Gilman (Two trees) in honor of Charles “Buddy” Gilman and members of the Gilman family
8) Betty Rogan in memory of Dennis Rogan
9) Joyce Sweeney, Barbara (Mercik) Blake, J. Peter McArdle, Glenn Pianka and Evan Gilman in memory and honor of the members of Fields Memorial Class of 1970.

We are looking into some different techniques to formally label each individual tree.

I am so proud to be able to make these statements and you should be proud of whatever contributions you make to your community, or fellow man, at any level. Your name may not show up here…….you know who are…. and I salute you. HAPPY SUMMER !!!!!

Have a good week. Glenn Pianka
FIRST SELECTMAN’S CORNER

I am pleased to report that the Fiscal Year 2017/2018 Town Budget passed unanimously with a vote of 37-4 at the Town Meeting of this past Tuesday June 13th. The concerted efforts of the Board of Selectmen, Board of Education and Board of Finance will result in a one mill increase, this in the face of anticipated loss of revenue from the State, for which we can only speculate, as we have no firm numbers from them at this time. Also approved was the revised Town Ordinance extending property tax abatement for Volunteer Firefighter’s with 25 years of service and the request to grant authority to relieve Optimus Senior Living from standard building and trade permit fees. The revised ordinance will take effect on July 1st, 2017.

This past Wednesday June 14th was Flag Day. American Legion members Jim Robertson and Ray Barber were on hand to “unofficially” raise Old Glory on the newly installed flag pole at Maples Farm Park. The official dedication of that flag pole will occur on the opening day of the Farmer’s Market which is Friday July 7th----so put that on your calendar!!

A 19th century stone culvert was removed and replaced under a section of Stockhouse Road this past week. The work was of the magnitude that it required larger equipment than the Town has so Coit Excavating was hired to complete the work assisted by Town DPW workers for traffic control. The collapsing structure had been causing water backup in the adjoining wetlands.

Two large portions of the budget which were trimmed in the capital lines were 1) overlay/paving of town roads and 2) needed repairs and reconfiguration at the Transfer Station. Hopefully those line items may be restored after final revenues are budgeted by the State.

NOTICE

The following Ordinance was adopted at a duly warned Town Meeting of the Town of Bozrah held at Fields Memorial School on Tuesday June 13th, 2017:

Ordinance 2017-1  Ordinance of the Town of Bozrah, Connecticut Providing for Tax Abatement for Active and Retired Members of the Bozrah Volunteer Fire Company, Emergency Medical Responders and Advanced Fire Police Officers (Revised and replaces Town Ordinance 2000-1)

This ordinance shall take effect fifteen days after this publication in accordance with the Connecticut General Statutes. Copies of this ordinance may be inspected during normal business hours at the Bozrah Town Hall, located at 1 River Road, Bozrah, Connecticut

BOZRAH AND THE NINE MILE SQUARE
By Glenn Pianka

In 1659 Onkos, Owaneco and Attawanhood Sachems of the Mohegan tribe, sold a tract of land to the “Towne and Inhabitants of Norwich” that was nine miles square. From that large parcel the towns of Bozrah, Franklin, Lisbon, Preston, Norwich and part of Griswold would later be carved out. In 2006 The Guns of Norwich Historical Society embarked on a community project to mark the four corners of that original tract.

The Northeast Corner stone was located on the Griswold/Plainfield line which had been marked by the Daughters of the American Revolution in 1917. The Northwest Corner was marked with a 1200 pound granite post in 2007 on property behind the former Franklin Mushroom Farm. The Southeast Corner was marked with another large granite post off of Rose Hill Road in Ledyard in 2012. The final Southwest Corner will be dedicated here in Bozrah on Lake Road on Saturday, August 5th, 2017 by members of the Guns of Norwich Historical Society and onlooked by members of the Bozrah Historical Society. The public is welcome to attend.

The stone denotes the latitude and longitude of the actual corner which is in the middle of Gardner Lake where the Bozrah, Salem and Montville town lines come together. The stone has already been erected by the Bozrah Public Works on land graciously donated for the use by Herb Zickwolf at the corner of Lake Road and Witter Road.

FIRST SELECTMAN’S CORNER

New laws take effect every October 1st and this year Public Act No. 17-73, AN ACT CONCERNING MUNICIPAL ELECTRIC UTILITY COOPERATIVES AND ESTABLISHING A MUNICIPAL ELECTRIC CONSUMER ADVOCATE, takes effect. The Board of Selectmen are charged with appointing a member of our community to this position. The appointee must be a commercial or residential ratepayer within the legislative body’s municipality and CANNOT hold an official position or be employed by: 1) The member utility’s governing body 2) The municipality in which the utility operates 3) The governing body of any other member utility 4) The municipality in which any other member utility operates or 5) Connecticut Municipal Electrical Energy Cooperative.

This legislation took effect as a result of the fervor and subsequent investigation into CMEEC and “Derby-Gate” as it had come to be known. Interested parties are encouraged to contact Town Hall or the Office of First Selectman at firstselectman@bozrahct.org.

Another contemporary issue is that of household income. As many of you know the United Way of Southeastern Connecticut provides funding to numerous non-profit social agencies in our region. I am taking the liberty of sending you a copy of a recently produced information sheet on this subject for your review. The Board of Selectmen and the Board of Finance have both worked hard to keep budgetary matters as conservative as possible in relation to this information.....and we most certainly have achieved reasonable stability. In this upcoming season of giving I ask you to consider the information in the attached flyer from the United Way. Need is not always so obvious.

Xylem/Godwin Pump - 99 Stockhouse Road Kudos to Al Dube and employees Tom Malone, Al, Kat Young, Carrie Murphy, Adam Petrowski, Art Ogborne, Dale Taylor and Roger Ouellet for coordinating with me to give back to the community by hosting a roadside cleanup along Stockhouse Road on September 21st. Six large bags of not so obvious trash was collected and the team was amazed at the yield. They promise to continue the effort on a couple of upcoming dates. THANK YOU!!! THANK YOU!!!

VETERANS DAY CEREMONY
The American Legion Post 138 will be holding a Veterans Day Ceremony on November 11th at 1130. All are welcome and encouraged to attend. The guest of Honor is Mrs. Erna Bentley from Norwich CT. The national call went out in late summer 1942: The armed forces needed more volunteers, and that meant tapping into the resources of the other half of the American population. The Navy formed the Women Accepted for Volunteer Emergency Service or WAVES.

Within a year, 27,000 women enlisted. They became everything from secretaries to metalsmiths to machinist's mates. Women rigged parachutes. Some repaired fighter planes. And some, according to a few speculative veterans, became code-breakers.

Bentley, a native of Torrington, joined WAVES in March 1943.

Come and hear more.

BUILDING INSPECTOR’S OFFICE – will be closed on November 16, 2017.

DID YOU KNOW THESE BOZRAH FIREHOUSE FACTS?
Did you know that the original Firehouse was the Town Hall? In 1956, we built and moved into a 2 bay/story building. In 1974, we added a 3rd bay to house the ambulance.

In 1975 we added a second story over all 3 bays. In 2000, we added 2 more bays for the ladder truck and other equipment and also continued the 2nd story over all the bays for offices and a members quarters.

In many towns the Firehouse is owned and maintained by the Town. This is NOT the case in Bozrah. Our Firehouse is owned and maintained by the members of the Bozrah Volunteer Fire Department.

Building Official, Tom Weber will NOT be available:
December 8 thru December 27, 2017.

ADELMAN SAND & STONE OSHA CLASS will be held at Maples Farm on Friday, December 15, from 8 AM – 12 PM.

INFORMATION FROM BOZRAH SCHOOL SUPERINTENDENT, DR. WELCH

Although Norwich Free Academy has long served – and will continue to serve – as the District’s “Designated High School”, the Board expects to hear a presentation in January from Lebanon school officials regarding the possibility of Lyman High School becoming a Designated High School, too.

As a matter of law, Bozrah students may apply to and, if accepted, attend the Lyman Vocational-Agricultural program at the high school. However, they are not permitted to attend the regular education program at Lyman High School. If, however, the Bozrah Board of Education concludes that providing that option is in the best interests of students, then they may approve Lebanon’s request to become a Designated High School.

SENIOR CENTER BOX OF WARMTH – A box of warmth is being collected by the Bozrah Senior Center and will be donated to a nonprofit – maybe a police department – maybe a school – maybe rec department.

PLEASE DROP OFF DONATIONS OF NEW or SLIGHTLY USED MITTENS, SCARVES AND HATS BY DECEMBER 22, 2017 TO THE TOWN HALL or the office of QC Home Care at 322 Fitchville Road, Bozrah. Thank you for your support of the Bozrah Senior Center.

CHRISTINE BAKER, SENIOR CENTER BOX OF WARMTH.
