Bozrah Farmers Market

Quarterly Report 8/4/21:

We kicked off the regular season a week later than expected due to the tropical storm on 7/9. The opening night of the market was 7/16 which was also Tractor Night Sponsored by the Bozrah Ag Commission. It was a great crowd and many great tractors and vendors.

We are not having music this season, but did hire Gary Pomo to DJ the 3 Classic Car Nights, one in July, August and September this year. We also hired Jan Mallett, Garden Guru to come out on 7/16 and do 3 classes on how to plant a garden with limited space. (She was supposed to come opening night but was moved to 7/16 due to the weather.)

The schedule for this year is as follows:

July 9 – Opening Night - Cancelled	September 3 – Food Truck Roundup
July 16 – Tractor Night	September 10 – Classic Car Night
July 23 – Classic Car Night	September 17 – Chocolate Night
July 30 – Wine and Wildflowers	September 24 – Steampunk Night
August 6 – Dog Days	October 1 – Fair Foods Night
August 13 – Community Yard Sale	October 8 – Volunteer Appreciation
August 20 – Classic Car Night	
August 27 – Back to School	November 19 – Holiday Market

We have some great volunteers this year who have been focusing not only on market set up, but also traffic.

The market has been extremely busy. The vendors and the guests are very happy. People are missing music, but I think bringing it back next year with the pavilion, while giving the Delta variant time to level out is appropriate.

We have been having a difficult time with food trucks this season, they, like most other businesses are having staffing difficulties. We have had some amazing new options this year though and are looking forward to seeing what new businesses come.

We are only 3 markets into the season, but so far, so good. Please find attached the financials since the 5/5 report.

Respectfully,

Miria Gray
