Subject: We need a new subcommittee member

Barbara is tied up with her duties surrounding the coming elections, and therefore has resigned from the subcommittee that is doing interviews of other towns' fire departments. We need a volunteer, as it is too much for John and Fred to do alone.

I understand John has not been getting my PSAC group e-mails. John, I have ascertained that you are now on the list. Is there anyone else who hasn't been getting them?

Mary Elizabeth
