Anyone who appears to have symptoms will be asked to leave.
The food bank is open on Thursdays, from noon to 6 P.M., please try and plan your needs around this time.
The Governor has ordered all restaurants and bars to be closed except for takeout.
The Governor has decided to postpone the Presidential primary to the 2nd of June.
The Governor has also suspended “in person open meeting requirements” which allows us to have teleconference instead of meetings.
The Governor has also extended the municipal budget adoption requirements by one month.
Uncas Health has ordered all hair and nail salons, and barbershops to close. Furloughs or layoffs of nonessential personnel have started throughout the region.

FIRST SELECTMAN’S CORNER

One case of Coronavirus has been found in East Lyme as of today. Numerous people who have travelled out of state have self-quarantined due to suspicion of maybe having the disease.
That is the idea behind the social distance request from the Governor. If you don’t have to go out-don’t. If you have to go somewhere stay six feet away from people. Wash your hands for 20 seconds multiple times a day, or use sanitizer. Use the bleach wipes to sanitize the things that get touched routinely.
If you are sick, call your doctor and see if you can get tested. If you are having trouble breathing or are in serious trouble call 911 and the EMT’s will show up.
It’s a tough time to have a breathing ailment. With all the pollen about to show up we expect people to have some trouble breathing, especially if you have allergies. Telling the difference between allergies and coronavirus could very well require you to get tested.
