Municipal Agent monthly report
April 2018

I explained the Medicare Savings Program and, in conjunction with CAMAE, encouraged Town Hall staff to contact our state representative, Kevin Ryan, our state senator, Paul Formica and Governor Malloy explaining the need to fund this program.

I produced MA Monthly paper. Topic for April: new Medicaid card and warning about scams: phone calls are being made to Medicare beneficiaries stating that in order for new cards to be received, personal information is needed (ie: social security numbers, identity information, etc.). Seniors should be aware that neither Medicare nor CMS are making any calls to Medicare beneficiaries in order to process new cards.

This information was posted on Senior Center bulletin board and copies left at senior center and Town Hall.

I conferred with Pamela Contino about possible programs to reinstate at senior center including monthly blood pressure screening.

I was contacted by 211 requesting update information. I confirmed that I was the Municipal and informed her that Pamela Contino was the new Senior Center director.

I continue to stay in contact with family of Bozrah senior who is residing at Harrington Court in Colchester.

I was contacted by Tom Main about a senior with medical issues and no phone. Her family was contacted and the situation resolved.

I made wellness checks, received phone calls, answered question and made referrals as necessary.
