FIRST SELECTMAN’S CORNER

The Town Hall is closed to general public access to make sure that the employees aren’t exposed and to reduce public exposure.

The playscapes at the school and the recreation field are closed, along with the basketball courts.

If you want something to do, consider helping us clean up the trash along the roads of Bozrah. Make sure and wear rubber gloves, and don’t touch your face.

The food bank is available to Bozrah residents, call in your needs prior to Thursday and pickup at the town hall, Thursday, between 3:00 and 6:00 P.M.

This week vandals damaged the Maples Farm parking lot by doing donuts. This area is used for school soccer. This is an ongoing situation that may require us to fence off areas of the park to vehicles. If the person(s) responsible comes forward the BOS would take this into consideration.

Paving activity will start in and around the Gilman Factory beginning next week, May 4, 2020.

BUDGET APPROVAL CYCLE

1) The next BOF meeting is Monday, May 11, 2020. It is a Zoom meeting and the information for joining it is on the BOF Agenda on website. Please comment by email before the Finance Board meets again to: moconnor@bozrahct.org.

2) The budgets for the Board of Education, Board of Selectman, and Capital are posted on the website. If you have comments, email Mike O’Connor at moconnor@bozrahct.org

3) During the budget approval process the Board of Selectman will meet, in accordance with the Governor’s Executive Order, and they will authorize the Board of Finance to approve the budgets instead of a town meeting or referendum. This is required to avoid large gatherings of people, again for everyone’s safety.

4) Once the Board of Finance has considered all of the variables and are satisfied with the budgets, they will approve the budget.

5) The Board of Finance will approve a mill rate for property taxes in the upcoming year. The current mill rate of 27.5 mills has been in place for the last two fiscal years. Three years ago it was 28.5 mills and four years ago it was 27.5 mills.
