INTRODUCTION TO THE FMS COMMUNITY

Dear FMS Families,

Hello! My name is Ian Polun and I am so excited to join you as principal of Fields Memorial School.

I have been involved in the field of education for more than twenty-five years. I enjoyed my first 16 ½ years as a classroom teacher in grades 4-6 in Wethersfield, and then I moved into an administrative role as the K-12 Social Studies Curriculum Coordinator in Tolland. For the last six years I've been in Thompson, serving as an assistant principal at Tourtellotte Memorial High School and Thompson Middle School while also spending five of those years as the district's curriculum director. I have already learned that Bozrah is an amazing town, and I am thrilled to now be a part of this community.

What else do I enjoy? I love music, sports and spending time with friends and family. My wife Deb and children, Jordan (23) and Megan (20), and I enjoy the beach and playing games together. I have coached softball for years and I also enjoy watching the

home design shows on HGTV and the competitive cooking shows of Food Network.

I look forward to meeting all of you and learning what you enjoy. Science? Soccer? Singing? Whatever your passion, let's make this an inspiring year, and one that reminds us all how great it is to be in school.

I'll be visiting sites in town like the farmers market, and I expect to be at school daily. Please take a few minutes to stop by and say "hi" if you can. You can also send me an email at ipolun@bozrah.org. I will always get back to you as soon as possible.

It's so exciting to be here at FMS, and I can't wait to get started.

Wishing us all a great year,
Ian Polun
