FIRST SELECTMAN'S CORNER

The work continues at the Transfer Station and is progressing smoothly. Many have asked about the re-opening date. It was projected to be about September 30th but will more than likely go beyond that time. I know that the temporary location is more inconvenient for some than others so I ask your continued cooperation. When we do return to the regular transfer station I think that what is being done will be satisfactory and worth the wait.

A site walk on September 14th on a 160 acre property located on South Road was conducted by myself, Inland Wetlands, Planning and Zoning, Town Planner, Norwich Public Utilities and Avalonia Land Trust persons for the purposes of advancing our grant application to DEEP Open Space and Watercourse Acquisitions. The Town of Montville is part of this application process but did not send a representative. This initiative represents the largest land preservation effort ever ventured by the Town of Bozrah.

There is an opening for an **Alternate on Inland Wetlands and Conservation Commission** and the **Gardner Lake Authority**. If interested email: firstselectman@bozrahct.org.

A set of keys to an Indian bike were found at Fitchville dam on September 7, 2021. Call the town clerk for additional information.

The town clerk will not be in the Bozrah Town Hall office on Monday, September 20th.

BOZRAH HISTORICAL SOCIETY will meet on Wednesday September 22, 2021 at 7:00 p.m. at the Bozrah Town Hall.
