From the Tax Collector: The second half of Real Estate and Personal Property taxes are due January 1st and payable by February 2nd. Motor Vehicle Supplemental taxes are also due January 1st and payable by February 2nd. Taxes can only be paid by cash or check.

Extended hours (in addition to the regular hours) for the tax office for the month of January are:

- Monday January 5th from 9a.m. to 4p.m.
- Monday January 12th from 9a.m. to 4p.m.
- Saturday January 24th from 8a.m to 2p.m.
- Monday January 26th from 9a.m. to 4p.m.
- Friday January 30th from 9a.m. to 4p.m.
- Saturday January 31st from 8a.m to 2p.m.
- Monday February 2nd from 9.a.m. to 4p.m.

From the Transfer Station:

- **A reminder that transfer site stickers for 2015** must be purchased by 31 January 2015. They are available at the Transfer Site. Remember to bring the vehicle and the registration for the vehicle on which the sticker will be affixed. The cost is $40.00.

- **Looking ahead to the rest of the winter:** As anyone who has been to the Transfer Station knows, it sits in a hollow on the side of a hill with a rather steep roadway into and out of the pit. If the area is not plowed and sanded many vehicles, including some 4 wheel drive vehicles, will not be able to get up and out once they are in there. During an active storm, I cannot take resources away from plowing roads to keep the transfer site passable. **As a rule of thumb, if it is snowing during any period that the transfer station is supposed to be open, there is a good possibility that it will be closed.** Please take the weather into consideration before you load up your vehicle for a trip to the transfer station only to find it closed. Currently, the town has a very limited ability to communicate with residents concerning time critical messages such as this but we are working on installing a “reverse 911” type system. It is not active yet but will be in the near future.

**The reduced price admission** passes to Mystic Marine Life Aquarium and the Institute for Exploration are available in the town hall. Please call ahead to reserve them.

**Bozrah Home and Hardware** on Route 82 has been an active and valuable partner for many years in helping to keep the town food bank stocked all year long. Their store has provided a convenient drop off point on the southern end of town and they have helped to collect hundreds of pounds of food over the years. This help has been particularly critical around the holidays each year and they would like to thank all of their customers that have dropped off food and money.

As The Season For Nasty Winter Weather is Upon Us. I would like to remind residents of some “do’s and don’ts” during and after a winter event.

**DRIVEWAY SNOW REMOVAL TIPS**

1) **Do not shovel, snow blow or have your driveway plowed into or across the street.** This is prohibited by law and can cause a serious traffic hazard. If possible, it is best to place the snow on the side of your driveway opposite the direction from which the plow is coming. That way, the plow will carry the snow away from your driveway rather than back into your driveway.

2) If possible, wait until the road has been plowed before cleaning out the end 5-10 feet of your driveway. There is no practical way to plow any road or street without depositing snow into your driveway. Please understand that the town cannot go back and shovel or plow out the end of any private driveway.

3) Please be considerate of your neighbors when deciding where to place your excess snow. They do not want it anymore than you do.

4) Do not allow children to play on snow banks along the road or construct snow forts in or near the roadway.

**From the 1st Selectman:** I would like to remind everyone that the town provides a pile of salt/sand mix in front of the dog pound for residents to use on their walks and driveways. This is intended to be limited to small amounts and should not be used to fill up a pickup truck. The salt shed behind the dog pound is **off limits** to all but authorized personnel.

**Salem Free Public Library:**
Just a reminder to the residents of Bozrah that the Salem Public Library is the designated library for the Town of Bozrah. Heartsaver CPR/AED Class

The time between the onset how a heart attack and the arrival of emergency medical personnel is perhaps the most critical period of time affecting the eventual outcome for the individual involved. Effective CPR can make the difference between a full recovery or a recovery with mental and/or physical deficits or even death.

Would you know what to do in that critical time period?

The Bozrah Volunteer Fire Department is sponsoring a CPR/AED class at the firehouse on Saturday 24 January 2015 starting at 9:00 am with Sandy Nordgren instructing.

Registration is required please call 860-334-8384

The Town of Bozrah has just about completed the mandated replacement of our old in-ground 10,000 gallon diesel and 2,000 gallon gas fuel tanks with a new above ground ConVault containing two new tanks of the same size. The major advantages of changing to above ground is a lot less regulatory requirements and by getting the fill pipes above ground there is less chance of contaminating the fuel with surface water and snow.

A Reminder from the Fire Chief: 1) please make sure that all outside vents for things like pellet stoves have been cleared of snow to prevent the buildup of deadly carbon monoxide in your house. 2) If you have a fire hydrant in front of your house, any help that you can provide in keeping it dug out would be appreciated.

Do not shovel, snow blow or have your driveway plowed into the street. This is prohibited by law and can result in a citation because of the serious traffic hazard it presents. This was a significant problem after this last storm, and has been observed in all parts of the town.

Bozrah Assessor Loreta Zdanys, would like to remind Bozrah residents that it is time to apply for the elderly and totally disabled homeowner program. You must have been 65 years of age by the previous December 31st and have owned the property for which tax relief is sought on the previous October 1st. The property must be the applicant’s primary residence. The filing period is February 1st through May 15th. To apply you must bring your proof of income from 2014, including social security. Totally disabled persons need to bring proof of disability. The assessor’s office hours are Tuesday and Wednesday from 9:00 am to 4:00 pm and Thursday from 9:00 am to 6:00 pm. If you have questions or are unable to come to the town hall, please call the office at 860-889-2689, ext 5 during office hours and Deb will be glad to help you.

The last week of January and all of February have been very snowy and icy and it has been a challenge to just keep the roads and town facilities open and functioning. On top of the continuous snow, the salt that we need is in short supply and not always available when you need it. Prior to yesterday (when we received 100 tons) we had not received a delivery from our supplier in three weeks and if we had not received two 26 ton deliveries from Seymour Adelman over the last couple of weeks, picked up for the town under his contract, we would have run out during the last storm. I very much appreciate his efforts to keep the town in salt, especially since this cut into what he had available for his own customers. Since it takes ~25 tons of salt for a large storm (we mix it with sand), that 100 tons will cover 4 more major storm and we can only hope that it will not be necessary. However, I have already ordered another 100 tons just in case (it doesn’t go bad and we can use any extra next year). Given the extraordinary amount of snow on the ground there are several things to keep in mind:

1. PLEASE do not park your vehicles on the road way, prior to, during or immediately after a storm, it makes it very difficult to keep the road clear and passable, especially some of our narrower ones. The town does not have an ordinance to allow me to declare a parking ban, but if voluntary compliance does not work (and it hasn’t in some cases lately) then the town may need to pass one. Special kudos to the residents of Elaine Street who have been making a real effort over the last couple of years to move their vehicles off of the road prior to a storm. It has been noticed and appreciated.

2. Snow plowing, as with anything in life, is a series of choices and priorities. When the snow is falling our immediate priority is to keep a roadway open for traffic and especially emergency vehicles. That, at best, will be a two way path if there is heavy snow falling. As a storm starts to wind down, the drivers can begin to open the road wider with multiple passes which eventually leads to the final push back (to the mailbox line) and the final cleanup. With 36 miles of road and 4 trucks, it can take over two hours to complete a circuit (remember, to plow a two lane path requires the truck to travel the road once in each direction giving us essentially 72 miles to cover) and if snow is falling at 2-3 inches an hour it becomes a challenge just to keep up with it.

3. Ideally, we like to clean back to the mailbox line as soon as possible. The sheer amount of snow that needs to be moved to open roads to the mailbox line after the series of storms the past several weeks has been problematic in that we need heavy equipment to move all that is required to be moved. The plows that the Town runs will not loft the snow much over two feet and with two plus feet of snow on the ground after recent storms, the only thing that additional plowing does is to throw it up so that it can fall right back down into the road way. We have to assign our equipment resources based on priority and a dead end road serving several houses is going to come in lower on the priority scale than South Road, the lower end of Lake, Stockhouse, Bozrah Street Extension, Blue Hill and Brush Hill, all roads with heavy truck traffic that need as much width as possible.

4. Many of our town roads are very narrow even in the summer and no amount of additional plowing or snow removal is going to make them wider. The tunneling effect of the snow on the roadside makes them seem even narrower.

5. I hope that the town appreciates the dedication of the DPW crew in keeping the roads and town facilities functioning over the past five weeks. I know that it is part of their job and that they are paid to do it, but at some point (and they have all reached that point) they would gladly give up the overtime for a nice long period without snow.

6. FINALLY, PLEASE SLOW DOWN ON ALL TOWN ROADS. If the road is narrow in a spot and you meet another vehicle going the opposite direction, pull as far to the right as possible and stop to let the other vehicle pass. It is much easier to avoid contact with the other vehicle if one of them is not moving. As stated, we are moving as fast as possible to open some of the more narrow spots, but many of our roads are not very wide to begin with.

Have a Good Week                               Happy Valentine’s Day                               Bill Ballinger

Bozrah Seniors Meet Each Friday at The Senior Center on Route 163. TVCCA elderly nutrition program provides lunch. For seniors 60 and over and their spouses the suggested donation is only $2.50. Reservations can be made by calling Barbara at 889-6802 before 9:00 am on Tuesday. Transportation, at no cost.

It is time to begin planning for the 2015 Memorial Day Parade. If you are interested in organizing this event, please contact Chad Renshaw at the Town Hall (860.889.2689 ex 8). Following the practice started last year, the Selectman’s Office will not be organizing this event. We remain available for support and help, but some group or individual will need to step forward to actually make the event happen. If the parade is important enough to the community, then there ought to be someone willing to step up to the plate.

When paying your Bozrah Light and Power monthly bill please remember the Warm Thy Neighbor Fund. BL & P will match dollar for dollar any amount over your monthly bill and then deposit the monies in the fund to assist those less fortunate with their energy needs. Quite simply if your bill is $80.00 and you pay $85.00, BL & P will deposit $10.00 in the fund.

The reduced price admission passes to Mystic Marine Life Aquarium and the Institute for Exploration are available in the town hall. Please call Chad Renshaw to reserve them. 860-889-2689 ext. 8

From the 1st Selectman: I would like to remind everyone that the town provides a pile of salt/sand mix in front of the dog pound for residents to use on their walks and driveways. This is intended to be limited to small amounts and should not be used to fill up a pickup truck. The salt shed and anything behind the chain link fence is restricted to all but authorized personnel.

Time is getting short, and we still do not have anyone to organize the 2015 Memorial Day Parade. If you are interested in organizing this event, please contact the Town Hall (860.889.2689 ex 8). Following the practice started last year, the Selectman’s Office will not be organizing this event. We remain available for support and help, but some group or individual will need to step forward to actually make the event happen. If the parade is important enough to the community, then there ought to be someone willing to step up to the plate.

Notice From the Board of Finance: There will be a Public Hearing on the proposed 15/16 Board of Education, General Government and Capital Budgets Monday 20 April 2015 at 7:00 pm, Fields Memorial School. Copies of the BOE and BOS proposed budgets are available at Town Hall. Remember, the time to become involved in the process is early on when your input can have the most effect. By the time of the Annual Town Meeting, your choices are pretty much limited to either voting for the presented budget or voting against it.

The Annual Street Sweeping is set to begin next week. This involves a slow bulky sweeper, one or two dump trucks to move the collected sand and debris and support personnel all in a concentrated area on our narrow and windy roads. Please be careful as you approach them on the road.

Bozrah history presentation and discussion - The Bozrah Agricultural Commission and Bozrah Historical Society invite you to share your memories and memorabilia of agriculture and farming in Bozrah at part two of a historical presentation and discussion by neighbors and former residents of Bozrah at the Fields Memorial School cafeteria this Sunday April 26 from 1:00 pm to 3:00 pm. Come see images of the rec. field when it was a thriving farm, hear about a notorious unsolved crime at one of the Town’s oldest dairy farms and learn about the great lengths neighbors undertook to assist one another. Part one of the programs recorded in October 2014 will also be available for viewing. All are welcome to participate or just listen.

Bozrah’s Third Annual Poetry and Daffodils Day will take place on Saturday, April 25, 1:30 to 3:30 PM at Maples Farm Homestead, 45 Bozrah Street, Bozrah (next to the site of the Farmer’s Market). Come hear area poets read from their new and previously published work, followed by an open mike and a storytelling session. Bring one favorite poem or a poem you have written to read at the open mike. Light refreshments will be served. This is a family-friendly venue, but young children might prefer the second half of the program. Admission and parking are free. Monetary donations to support the Maples Farm Homestead or items of nonperishable food for the Bozrah food bank will be accepted.

After Reading About the Actions Taken by a Town of Bozrah Board or Commission, have you ever said “I could have done better than that”? Now is the time to put those thoughts into action. November municipal elections are fast approaching and both the Republican and Democratic parties are looking for candidates to run this fall. Positions on the Board of Selectman, Board of Finance, Board of Education, Zoning Board of Appeals and Assessment Board of Appeals will be on the ballot this year. If you are interested in running for a position, contact Johnathan Gilman, the Republican Town Committee chairman or Michelle Arsenault, the Democratic Town Committee chairman. A letter sent to the Bozrah Town Hall at 1 River Road Bozrah Ct 06334, ATTN: Johnathan Gilman or Michelle Arsenault will get forwarded to them. If you are an unaffiliated voter and wish to seek a position, please contact the Bozrah Town Clerk for details on how to proceed.

If you think your dog deserves this honor, send a photo of your dog with your dog’s name, your name, address and phone number to the Town Clerk’s Office 1 River Road Bozrah, CT 06334. This photo must be received no later than May 28, 2015. The #1 license will be issued to the winner on May 29, 2015 free of charge, compliments of the Town Clerk. Please only submit one dog per picture. All rabies vaccinations must be current. Dog licenses go on sale June 1st. Dog owners will be sent a notice in May reminding them to renew their dog license during the month of June. Cost is $8.00 for spayed or neutered dogs and $19.00 for all others. State law requires penalty charges of $1.00 per month to be added when licenses are not renewed by June 30, 2015.

**maplesfarmpark@gmail.com or bozrahfarmersmarket.org**  
860 383 4420 Plant Swap May 16th 1-3pm, in the parking lot. Set up begins at one o’clock, swapping starts at 1:15 pm. Many Thanks to volunteers Carol & Steve Watson for putting weather seal on the tree benches at Maples Farm Park. Carol also gathered the rest of branches from under the maple grove. We are also grateful for volunteer, Bruce Neild. He will be fixing and painting the porch on the Homestead on Friday.

The 2015 Memorial Day Parade

The parade committee would like to thank the FMS PTO and FMS Marching Band, Gilman Brothers, Arthur Goulart & Son Excavating, Coit Excavating, Sterling Superior Services, Brunelli Energy and Adelman Sand & Gravel for their very generous donations towards the cost of the parade. I would like to personally thank the committee members: Glenn Pianka and Jonathon Gilman who were essential to the process. Thanks to all who participated, both in the parade and the memorial services, especially the American Legion Rivers-Janowicz Post #138 and their commander Lee Edwards and Legion Chaplain Henry Barry, Jillian Barry for her voice. The Bozrah Volunteer Fire Department and Chief Sloles deserve special mention for the excellent traffic control provided for the parade. Thanks to the Bozrah Moose Club for hosting the after parade activities and for the donations of their time, facilities, and drinks. Please forgive me if I have overlooked any one, but this list gives you an idea of the extent of community involvement in and support for, this event.

**FMS Students Participate In Archaeological Survey**

On Friday May 22nd and Friday June 12th more than 40 students experienced hands-on instruction while sifting for artifacts at a former tenement house site adjacent to the Town Hall. Sponsored by the Bozrah Historical Society, arrangements had been made last Fall to have then State Archaeologist Dr. Nicholas Bellantoni and his team of volunteers, known as the Friends of the State Archaeologist (FOSA), come to the site and conduct an “outside classroom” experience.

The Historical Society was interested to learn what the final disposition of the structure was (i.e. fire, natural disaster or simple razing). The house, most probably for workers for the nearby former mill, shows up on maps dating 1869 and 1874 but little is known of the building after that time. The retirement of Dr. Bellantoni postponed the cultural experience until this spring when newly appointed State Archaeologist Dr. Brian Jones stepped up.

FMS teacher and historical society member Evelyn Brown coordinated the students and walked over from the school on the two days of the project. Historical society members Carol Barber, Susan Ververis, Lynne Skinner, Jack Sayles and Doug Barber assisted at the site especially in the process of filling in the eighteen or so exploration pits.

A railroad spike, clay marbles, various pottery shards, burnt coal, buttons and fabric remnants, nails and bricks were catalogued and plotted on a site map for further analysis. Presently, we still do not know what happened to the structure. We do know that FMS students better understand their community.

Glenn S. Pianka  
Historical Society President

Winter Energy Assistance: Thames Valley Council for Community Action starts 01 August With winter coming on fast and fuel prices uncertain again; (even though it is 81 degrees today) many area residents have real cause for concern. Don’t wait until the last minute to take action. This year federal and state governments may only be providing a percentage of what they supplied to TVCCA last year. Another change from last year is, the funds provided to TVCCA can NOT be used to provide for electrical heating assistance. If you think that you will need fuel assistance this winter schedule an appointment to apply for TVCCA’s energy assistance program as soon as possible. Applications begin being accepted 01 August and there are eligibility requirements. Call to schedule an appointment (860) 889-1365 and then press 2.

Publisher’s Clearing House: Tips & Warning Signs

Recognizing the difference between legitimate sweepstakes and other types of offers that may not be legitimate will help you.

Tip 1: If you receive a check claiming to be from a legitimate sweepstakes and are asked to cash it and wire or send a portion back -- STOP -- you are the victim of a scam contact. At Publishers Clearing House no payment or fee is ever necessary to enter or claim a prize.

Tip 2: Be Suspicious of Callers Claiming You’ve Won - But Ask You to Send Money. At Publisher’s Clearing House we do not notify our contest winners by phone.

Tip 3: Be Wary of E-mails Claiming You’ve Won – and Asking You to Send Money. At Publishers Clearing House we do not notify major prize winners by e-mail.

Tip 4: Never Give Your Credit Card Number to Collect a Prize. Fraudulent scam artists often request this information and then go on a spending spree with your credit card; or wipe out your bank account.

Tip 5: Do Not Send Money to Claim a Sweepstakes Prize. Whether contacted by mail, phone or e-mail, remember: no legitimate sweepstakes company will ever ask you to pay or send money to claim a prize. It’s prohibited and unlawful!

Tip 6: Always Play Safely. At PCH we include a Sweeps Facts insert in every promotional offer we send. Be sure to read the Sweeps Facts, as well as our Official Rules. Don’t fall for ‘lookalike’ mailings that try to mislead consumers by imitating legitimate sweepstakes.

Tip 7: If an Offer Sounds too Good to be True, Think Twice -- It Usually is! The only sweepstakes rule you need to know is that No Purchase is Necessary and the winning is always free!

Have a safe and happy Holiday!!

Please Don’t Drink and Drive

From the Office of the First Selectman

I need to take this space to point out something that some people may not realize. Unlike the members of town boards (Board of Selectmen, Board of Finance, Board of Education, Zoning Board of Appeals and Board of Assessment Appeals), which are all elected, town commission members (Planning & Zoning, Inland Wetlands, Recreation, Maples Farm, and Agriculture) are appointed by the Board of Selectmen that is sitting when the various terms expire. These terms are generally for 2 or 3 years and the only way that the voting public can have any input about who is serving on these commissions is through the sitting Board of Selectman which is elected. Therefore, it is very inappropriate for a “lame duck” BOS to make appointments/re-appointments to commission position that are not due to expire until after that board leaves office. It effectively preempt the incoming BOS’s prerogative and duty and denies the citizens of the town what little input they have on commission membership by saddling the new board with an appointment that will remain in effect for 2 or 3 years.

Changes are Coming to the Transfer Station

As of 1 July 2015, the Town of Bozrah has signed a new contract with Willimantic Waste that will change the way that we collect waste at the transfer station. As some of you know, for many years the transfer station has maintained separate dumpsters for municipal solid waste (trash/garbage), recycled bottles and cans, cardboard, scrap metal, bulky waste and newspaper/magazines. The municipal solid waste has been trucked to the incinerator in Preston for disposal and everything else went to Willimantic Waste for recycle and/or disposal. Now, everything will be sent to Willimantic and the collection and separation procedure will be streamlined into what is called “Single Stream Recycling”. The municipal solid waste will still be collected separately and must still be disposed of in the yellow bags that display the town seal and are purchased for that purpose. However, the bottles and cans, the cardboard and the newspaper and magazines will now be collected in the same container (no need to separate at home or at the transfer station) and compacted as is the garbage. The compaction will allow for more efficient loading of the container and should cut down on the number of containers that need to be hauled each year at $130 per haul. The bulky waste will still be collected separately as will the scrap metal and old electronics. Additionally, as part of the state’s efforts to encourage recycling of mattresses, a subsidy program offered to trash handlers will allow for them to place a covered mattress container at the transfer station at no cost to the town or bulky waste charge for the user.

In addition to simplifying the collection and handling process, this new contract provides for some significant saving over the cost of disposing of the waste collected. For example, at the Preston facility, the town was paying tipping fees of just over $88/ton and Willimantic Waste will be taking it at $66/ton. As mentioned, by compacting the Single Stream Recyclables (particularly the bottles and cans) we will be significantly reducing the number of times that we have to haul and empty the container and the reimbursement rate for the scrap metal and iron that Willimantic Waste collects will be significantly increased over what the old contract provided for. Overall, we are projecting a $15,000/yr. reduction in cost for operation of the transfer station.

When will all this happen? The municipal solid waste has been going to Willimantic since 1 July. We are going to take the next 3 weeks to inform the transfer station users on the changes for the rests of the waste, distribute a couple of flyers with information of what can and can not be disposed of in the Single Stream Recycling container, have some signs made to help direct users to the correct containers and finally, set up the physical arrangement of the containers needed to accommodate the new system. Our goal is to have the start date the week of 3 August.

From The Tax Collector  Tax bills have been mailed and the first half of Real Estate and Personal Property and all Motor Vehicle taxes are due by August 3rd. Bozrah Food Bank is in need to helping families in town, the Town Hall food bank is VERY low. Since the need for assistance continues all year, please consider donating nonperishable and canned goods to assist those in town that need a little help. Food items can be dropped off at the Town Hall Mon, Tues, Wed, 9:00 am – 4:00 pm, Thursday 9:00 am – 6:00 pm. If those hours are not convenient, call the Town hall and arrangements can be made to have food items picked up

Winter Energy Assistance: Thames Valley Council for Community Action With winter coming on fast and fuel prices uncertain again, many area residents have real cause for concern. Don’t wait until the last minute to take action, this year. Even though the Federal and State Governments will be providing funding that they supplied to TVCCA last year the number of applicants is expected to be significantly higher this year. Another change from last year is that currently, the funds provided to TVCCA can NOT be used to provide for electrical heating assistance. If you think that you will need fuel assistance this winter schedule an appointment to apply for TVCCA’s energy assistance program as soon as possible. Applications are currently being accepted and there are eligibility requirements.

Call to schedule an appointment: (860) 889-1365 and then press 2.

From the DPW, We will begin to Chip Seal South Road, schedule and weather permitting 08/21/2015. Please use caution as road crews will be working on either side of the road. While none of the work will involve digging up the road, traffic will be restricted to one lane at times to allow the paving crew plenty room to work safely. Please drive carefully and follow the instructions of the flaggers.

Fields Memorial School is accepting applications for substitutes for the 2015-2016 school year. Substitutes may be available on-call, on an as-needed basis, in the absence of the permanent employee. Substitute positions are for teachers, paraprofessionals and the school nurse (RN). All substitutes will need to be fingerprinted (at your expense) and pass a criminal history records check as well as a background check from DCF. You may print an application from the school website: www.fmsbozrah.org (Human Resources link), or stop in at Fields Memorial to pick one up. Please include three letters of reference and a copy of any certificates you may possess. P. O. Box 185 Bozrah, CT 06334

The Bozrah Agricultural Commission wishes to extend their thanks to Bozrah residents Seymour Adelman, Burt Avery Sr., Art Goulart, Texas and Levi Moon, Dale Speerli, Peter von Halem and Carl Zorn who shared their knowledge and love of farm tractors at a local exhibition of antique and new tractors at the Bozrah Farmer’s Market on Friday, July 31st. The exhibit of working tractors dating from 1941 to today was enjoyed by many and we hope to make it an annual occurrence. A special thank you to Levi Moon for bringing the idea to the Commission

Bozrah Food Bank is in need to helping families in town, the Town Hall food bank is VERY low. Winter Energy Assistance: Thames Valley Council for Community Action With winter coming on fast and fuel prices uncertain again, many area residents have real cause for concern. Don’t wait until the last minute to take action, this year. Even though the Federal and State Governments will be providing funding that they supplied to TVCCA last year the number of applicants is expected to be significantly higher this year. Another change from last year is that currently, the funds provided to TVCCA can NOT be used to provide for electrical heating assistance. If you think that you will need fuel assistance this winter schedule an appointment to apply for TVCCA’s energy assistance program as soon as possible. Applications are currently being accepted and there are eligibility requirements.

Call to schedule an appointment: (860) 889-1365 and then press 2.

From the DPW. We will begin to Chip Seal South Road, schedule and weather permitting 08/24/2015. Please use caution as road crews will be working on either side of the road. While none of the work will involve digging up the road, traffic will be restricted to one lane at times to allow the paving crew plenty room to work safely. Please drive carefully and follow the instructions of the flaggers.

Eversource Energy is pleased to begin construction to install a new natural gas pipeline in your neighborhood. The Franklin/Bozrah Gas Expansion Project will begin on Tuesday, September 1, 2015, and continue through November 30, 2015.

Bringing Natural Gas into Your Neighborhood The 1.7 miles of underground pipeline will be placed along existing roadways. It will enable gas expansion to the AEN Asphalt Facility in Franklin, Connecticut and the Collins & Jewell Company in Bozrah, Connecticut. Eversource has been in discussions with the two commercial businesses as well as town officials and through steadfast commitment by all parties, construction of the Franklin/Bozrah Gas Expansion Project is now a reality. This will now grant accessibility to affordable, clean and efficient natural gas to businesses and residents along the route.

While we know that construction activities can be disruptive, we’re committed to doing our part to minimize inconvenience to you and your community, while also ensuring the highest safety standards. Our efforts include:

- Work zones that are protected from pedestrians and vehicles.
- Police officers or flagmen assigned coordinate traffic control.
- Maintained access to residences and businesses, as well as assured priority passage of emergency vehicle traffic through construction areas.
- Restoration of roadways, private land and public property to its original condition after construction work is completed

What You Can Expect: Construction crews assigned to the Franklin/Bozrah expansion project will work 12 hours, Monday - Friday, between 7 a.m. – 7 p.m., starting September 1, 2015. Our construction activities are subject to change due to weather and other unexpected circumstance.

GOV. MALLOY ENCOURAGES RESIDENTS TAKE NECESSARY PRECAUTIONS FOR POSSIBLE HURRICANE CONDITIONS OVER NEXT SEVERAL DAYS

Connecticut Emergency Management Officials Continue to Monitor Track of Hurricane Joaquin, Prepare Response Services

Governor Dannel P. Malloy today said that with Hurricane Joaquin currently forecast to impact the east coast over the next several days, he is asking Connecticut residents to closely monitor the storm’s path and be prepared for severe weather conditions. The Governor continues to work with state emergency management officials to monitor the storm and make preparations for necessary state response.

“Just as the state is monitoring and preparing, the public should do the same,” Governor Malloy said. “Weather models are predicting that Hurricane Joaquin may move onshore in the area of the northeast coast this weekend. Although its potential impact on Connecticut is still developing as forecasts adjust, we need to be prepared because these types of storms can oftentimes be unpredictable. We will continue to update residents, and in the meantime we urge folks to begin making preparations.”

Governor Malloy and DEMHS offer the following preparedness tips:

**Basic Emergency Supply Kit**

- One gallon of water per person per day for at least three days, for drinking and sanitation
- At least a three-day supply of non-perishable food
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert and extra batteries for both
- Flashlight and extra batteries
- First aid kit
- A whistle to signal for help
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Can opener
- Local maps
- Cell phone with chargers, inverter or solar charger.

**Town Meetings** For a list of Town Meetings please see the Town Website http://townofbozrah.org/

Follow Up on A Question From the Candidate’s Forum That Was Held Last Sunday
At the Candidate’s Forum a question was asked as to why the minutes from the Board of Education meetings were not being posted to the town Web site. What many people do not realize is that local Boards of Education “are not agents for the towns but creatures of the state” (25 CS 305) and therefore are exempted from some of the rules that apply to all other boards and commissions. Local Boards of Education do not submit their minutes to the Town Clerk and are not required to post them on the town or school Web sites. They are required to make them available to any one that wants to review them and they are responsible for maintaining their own meeting records. Our local Board of Education does post their minutes to their Web site and the town Web site has a link to the school site, so, in around-about-way, they are posted to the town site.

Connecticut General Statute Sec. 10-224. Duties of the secretary. The secretary of the board of education shall keep a record of all its proceedings in a book which such secretary shall provide for that purpose at the expense of the town and shall submit to the town at its annual meetings a report of the doings of the board.

In accordance with Section 12-40 of Connecticut General Statues, all persons liable to pay taxes on personal property belonging to them as of October 1, 2015 are hereby notified that they must file a list of the same between October 1, 2015 and November 2, 2015 or subject to the statutory twenty-five (25%) penalty. Personal Property consists of, but not limited to: aircraft, unregistered vehicles including motorcycles or trailers, truck campers snowmobiles and mopeds: commercial furniture, fixtures and equipment or machinery, computer equipment, farm machinery and other goods, chattels and effects, not previously mentioned or which does not appear to fit into any of the other categories.

Winter Energy Assistance: Thames Valley Council for Community Action With winter coming on fast and fuel prices uncertain again, many area residents have real cause for concern. Don’t wait until the last minute to take action, this year. Even though the Federal and State Governments will be providing funding that they supplied to TVCCA last year the number of applicants is expected to be significantly higher this year. Another change from last year is that currently, the funds provided to TVCCA can NOT be used to provide for electrical heating assistance. If you think that you will need fuel assistance this winter schedule an appointment to apply for TVCCA’s energy assistance program as soon as possible. Applications are currently being accepted and there are eligibility requirements. **Call to schedule an appointment: (860) 889-1365 and then press**

The Bozrah Historical Society is seeking new members. The goal of the Historical Society is “to share knowledge of the town’s history, foster appreciation for the historical development, and identify, collect, and preserve historical items”. Membership dues are $15 per year. We meet on the 4th Thursday of each month at 7PM at the Town Hall or visit us at Bozrah Farmers Market Community Night, Friday Sept. 4th and check out the many historical calendars we have available for purchase.

FYI: With the municipal general elections just over two weeks away, there have been some questions as to when those elected on 3 November actually take office. According to the Connecticut General Statutes Sec 9-187a, the new terms for towns without a charter or a special local act provision, the new terms begin “on the second Tuesday next following the day of the municipal election at which such official is elected”. For this election in Bozrah that would be 12:01 a.m. on Tuesday 17 November 2015.

Sec. 9-187a. Date term to begin. Except as provided in sections 9-164a to 9-164f, inclusive, the term of each elected municipal official shall begin within seventy days after the municipal election at which such official is elected, on the day within such period prescribed by special act or charter provision, or, in the absence of such special act or charter provision, on the day within such period as is prescribed by action of the legislative body of such municipality, provided (1) in each municipality which holds its municipal election on the first Monday of May in the odd-numbered years, in the absence of such special act or charter provision, or action of the legislative body, such terms shall begin on the first day of July following the municipal election at which such official is elected, and (2) in each municipality which holds its municipal election on the Tuesday after the first Monday of November in the odd-numbered years, with the exception of the term of the town clerk, in the absence of such special act, or charter provision, or action of the legislative body, such term shall begin on the second Tuesday next following the day of the municipal election at which such official is elected, and (3) in each municipality which holds its municipal election on the Tuesday after the first Monday in November in the odd-numbered years, the term of the town clerk shall be two years from the first Monday of January next succeeding his election, unless otherwise provided by charter or special act. Whenever the beginning date of the terms of elected municipal officials

**Firehouse Findings Issue 13:**

September was a busy month at BVFC and October is even busier! As many of you may have noticed, we are roofing and insulating the Community Hall and this month, we are demolishing the interior ceiling so that it can be properly insulated. Then, we must replace the ceiling tiles and paint the interior. There is talk of painting the grids in the ceiling, as they look “outdated”. If you wander through the Hall be aware that Herb might grab you and put you to work! All must be completed by November 1 as the Hall is rented throughout the holiday season (which is just around the corner)! Speaking of holidays, the annual Truck or Treat will be celebrated at BVFC on Saturday evening, October 31st. Heather Pike Derochick and Danielle Walsh are in charge of the festivities this year and there are some changes afoot! Rumor has it that it will be great fun so make sure that you put it on your calendars. More details will follow in the next issue of FF. The fourth annual BVFC 5K Road Race was a resounding success. We had 80 adults and 16 kids sign up and all but two adults ran the race; one adult, who will be highlighted in the next issue of FF, ran the race in full turn-out gear, including Scott Packs and an extra 100 pounds of lead weight (in memory of a fallen FF friend). We thank John and the 169th Club (more to follow next issue) for adding a great deal of fun to the event (as well as several runners who were visiting our Town for the first time). Finally, we are on near record pace for calls this year. Once again, we thank all of you for your support, as without it, we could not have the machinery and manpower that we need to do the very best job that we can in support of our mission to the Town of Bozrah.

Have a good week

This is the final TWIB before I leave office as the 1st Selectman of Bozrah and it has been an honor and privilege to serve as your 1st Selectman over the past 8 years. I want to thank those who have supported me over that time and especially thank all the volunteers that serve the town, whether it be as members of the various boards and commissions, the volunteers at the fire company, the coaches and their assistants that work with the youth of this community, the PTO, the Maples Farm and Farmer’s Market volunteers and all the others that give of their time and energy to make Bozrah a very nice place to live and work. I am proud of the accomplishments over the past 8 years and I believe that the town is well positioned to continue to move forward in the coming years. Please give the incoming 1st Selectman the support that he needs to successfully address the demands of that position.

Bill Ballinger
**Notes From The First Selectman**

I want to thank all of those who came out to vote in this last municipal election. The work of transition has been made very smooth due to the gracious cooperation of Selectman William Ballinger. His eight year administration produced numerous very positive long term assets to this community. I would be very happy to email you that list if you are interested. A recent Norwich Bulletin article quoted me as saying that I was “ticked” at the composition of the board of selectmen when the word should have been “tickled”……..I am truly tickled. This late fall and winter season will be spent preparing for some changes and upgrades to current Town properties. One in particular is the Recreation Field/Senior Center where we anticipate replanting the entire front of the building complex as well as to address some safety and parking issues there. I am looking for anyone who may have landscaping/landscape design ability to volunteer drawing up a plants proposal and/or any person or group who may be interested in the actual installation. Community PRIDE will be an important part of my administration……..here is a good place to start!!

**Town of Bozrah** is seeking a candidate for a Recording Secretary for various Boards and Commissions. This paid position will require attendance at night-time meetings. Meetings are held most Thursday evenings, some Tuesdays and more frequently during budget preparation. If interested please contact Chad Renshaw at 860-889-2689 ext. 8, or mail letter of interest to: 1 River Road Bozrah, CT 06334 Attention: Chad Renshaw

**Holiday Tree Lighting:** The Town will have its’ annual holiday tree lighting and get together at the Bozrah Town Hall on Sunday 13 December starting at 6:00 p.m. Once Santa has arrived, the tree will be lit and the FMS chorus will present a mini-concert of seasonal songs. The group will then walk to the Firehouse and go upstairs to the meeting room and Santa will then give out small gifts, and refreshments will be served. All are welcome. Mark the date and time on your calendar.

Please bring a non-perishable food item for the Town Food Bank if you can.

**Winter Energy Assistance:** Thames Valley Council for Community Action With winter coming on fast and fuel prices uncertain again, many area residents have real cause for concern. Don’t wait until the last minute to take action, this year. Even though the Federal and State Governments will be providing funding that they supplied to TVCCA last year the number of applicants is expected to be significantly higher this year. Another change from last year is that currently, the funds provided to TVCCA can NOT be used to provide for electrical heating assistance. If you think that you will need fuel assistance this winter schedule an appointment to apply for TVCCA’s energy assistance program as soon as possible. Applications are currently being accepted and there are eligibility requirements. Call to schedule an appointment: (860) 889-1365 and then press 2

**Bozrah Food Bank** is in need to helping families in town, the Town Hall food bank is VERY low. Since the need for assistance continues all year, please consider donating non-perishable items such as pasta, cereal, tuna, soup, and pasta sauce to assist those in town that need a little help. Food items can be dropped off at the Town Hall Mon, Tues, Wed, 9:00 am – 4:00 pm. Thursday 9:00 am – 6:00 pm. If those hours are not convenient, call the Town hall and arrangements can be made to have food items picked up

Regional ACO number = 1-800-236-1987

**The Offices of the Town of Bozrah** will be closed on the 26th and 27th for the Thanksgiving Holiday.

**A heart felt Thank you to Good Samaritan**

I would like to share a wonderful incident that will put a smile on your face, and hopefully cancel out the bad news we hear every day. In October Pastor Lee Edwards, gathered our seniors together at Bozrah pizza, which we do once a month, for fun and fellowship. Some of our seniors engaged in a conversation with the young men who were also eating lunch, much to our surprise at the end of our meal, we were told by one of the young men that they picked up our tab. Just imagine 18 very amazed people. A simple act of kindness can bring joy to so many. You can be sure we have paid it forward since then and will continue to do so. It took me over a month to track the Good Samaritan down. Thank you, Anthony Payetie of Payetie Transformations LLC for your generosity. From the Tax Collector: The second half of Real Estate and Personal Property are due by February 1, 2016. Supplemental car taxes are also due by February 1, 2016. The Tax office extended hours are:

- Monday January 3rd  9a.m. to 4 p.m.
- Monday January 11th  9a.m. to 4 p.m.
- Saturday January 23rd  8a.m. to 2 p.m.
- Monday January 25th  9 a.m. to 4 p.m.
- Saturday January 30th  8 a.m. to 2 p.m.
- Monday February 1st  a.m. to 4 p.m.

Food Baskets and Toys for Christmas will be delivered next week. We are in need of some specific items, such as (pasta, cereals, cake/muffin/biscuit mixes). Canned goods are always welcomed, but we do have a slight overstock at this point. Also, due to the extraordinary donation of frozen turkeys for Thanksgiving, we have enough of them to cover the Christmas meal as well. We have turkeys stuffed in freezers all over town, but that is a nice problem to have. Delivery will start on 22 December.
